**RELEASE OF MARCH 2012 EXAMINATION RESULTS**
UNDER NO CIRCUMSTANCES WILL RESULTS BE
PROVIDED BY TELEPHONE

Professional Geologist (PG) and Geologist-In-Training (GIT) examination results were mailed on May 9, 2012.

Result letters are sent by the United States Postal Service. Please do not request a duplicate result letter unless you have not received the original result letter by May 23, 2012.

The result letters are mailed to the candidate at his or her address of record. If you have changed your address of record since the examination and you have not yet notified the Board directly, you need to complete the online Address Change Request Form (available on the Board's web site). Submitting a change of address or forwarding request to the U.S. Postal Service is not sufficient; you must notify the Board directly.

Examination Review and Appeals

Examination review and appeals are not available for the PG & GIT examinations. ASBOG® only allows for review and re-scores when mandated by state law. California has no such law in effect for the PG or GIT examinations.

Applicants Who Failed One or More Examination(s)

Applicants who took and failed one or more examinations in March 2012 can file a re-take application. Re-take applications for the fall 2012 examinations must be postmarked by July 27, 2012.

Applicants Who Failed to Appear for One or More Examination(s)

Applicants who did not take one or more examinations for which they were scheduled and do not have an approved "Request for Postponement" for the examination(s) in question, will be required to submit a new initial application for future examination(s), including all application and examination fees by the scheduled final filing date for the examination they want to take.
